Summer Reading Program

Summer Reading Registration begins Monday, June 1 for this year's program, "Every Hero Has A Story". Children of all ages can register for our program. Children may participate in two different programs. "Avengers" participants will complete 8 of 11 activities and return the completed form to the library for a prize. "Justice League" participants will challenge themselves to read for at least 15 minutes a day. They can return their completed reading time log for a prize. All participants will be entered into prize drawings throughout the summer. Those who complete their goal will receive a ticket to the Summer Reading Finale Party!

As part of the program, the library will offer fun, weekly special programs that continue our "Every Hero Has A Story" theme. Children do not have to attend the programs to participate in the Reading Program, however attending programs will add to their summer reading experience.

Programs will be held in the Library Auditorium.
