

Lunch With Books programs available on DVD, courtesy Yodeling Dick Brooks.

Our friend Yodeling Dick Brooks has been very dedicated over the years in videotaping our many programs including Lunch With Books, People's University and others, and transferring them to DVD for the library's archives. Consequently, we have a fairly complete collection dating back to 2006.

This collection will be regularly updated as new DVDs are added. If you would like to borrow a DVD, please make a request at the reference desk, call 304-232-0244 or send an email to lunchwithbooks@yahoo.com.

We owe many thanks to Mr. Brooks for this valuable service.
