### READ\*DISCOVER\*EXPLORE

# Where do you want to go this summer?

Reading takes you everywhere!

Join our Summer Reading Challenge and read, discover, and explore amazing places both near and far.

# **READSquared**

**READSquared** is a new software that OCPL will be using to track our Summer Reading participation for all ages.

Starting June 15, 2020 sign up online at <a href="mailto:ohiocountylibrary.readsquared.com">ohiocountylibrary.readsquared.com</a>.

Download the READsquared app at the Google Play Store or the Apple App Store.

### How does READSquared work?

Through READSquared, this year we have reading challenges for Pre-K, kids age 5 to 12, teens, and adults. READSquared keeps track of all the points a reader earns and notifies you when prizes are won for reading achievement.

Collect points for every minute you read between June 15th and August 15th reading and completing activities within the READSquared portal. Log points to earn badges and prizes along the way!

To enter the minutes that you've read, click "Log Activity" from your Dashboard, then enter your minutes read, book title, author, and date read. You may also include a book review if you wish, but it is not necessary to do so. You can also play games and complete missions along the way and browse suggested reading lists.

Once you've earned enough points you'll receive a completion certificate you can print and share. It's that easy!

You can register and log reading on a computer, smartphone, or tablet and keep track of your summer reading progress at <a href="https://ohiocountylibrary.readsquared.com">ohiocountylibrary.readsquared.com</a>.

### Register as an individual or a family.

If you are a parent or guardian and would like to create a family account to manage your children's accounts, simply follow the directions to create an account for yourself, then follow the prompts to register your children. If you have already created an account for yourself, log in and click on the "Account" button on the top menu of your screen, then select "Add Child Account." If your child also already has an account, select "Link Existing Account."

# PEOPLE'S UNIVERISTY ONLINE

### Around the World in Literature & Language

For Summer Reading 2020, OCPL will offer a new People's University Livestream series to be broadcast simultaneously on YouTube, Facebook, and the library's website. The series will occur live online on Thursday evenings at 6:30 pm from June 11 through July 30, with a finale program on August 6.

Videos will be posted on YouTube and the Library's Facebook pages.

### Välkommen to Class 1! June 11 at 6:30 pm

Dr. Javersak will kick off the world tour by serving as a guide for a 4,000 mile trip across the North Atlantic to Sweden

through the works of contemporary Swedish authors of funny stories and warm human interest, including Fredrik Backman, author of *A Man Called Ove* and Jonas Jonasson, author of *The* 

100 Year-Old Man Who Climbed Out The Window and Disappeared. Javersak will be accompanied by Scandinavian Language instructor Asta Solie, who will teach attendees useful words and phrases in Norwegian.

### Class 2 - Privyet! June 18 at 6:30 pm

For class two, students will depart Sweden to fly 1,000 miles southeast and a century back in time, exploring Russia

through the novellas of Leo Tolstoy. In this talk, we will travel through two Tolstoy novellas set during the Caucasian War: *The Cossacks* (1863) and *Hadji-Murat* (1904). Led by Dr. Ian Lanzillotti, Bethany History Professor and Russian speaker, the class will include useful words and phrases in Russian.

### Class 3 - Kon'nichiwa! June 25 at 6:30 pm

Retired Wheeling Jesuit University history professor Dr. Joe Laker will lead his class 4,600 miles east (and 270 years back in

time to 1639) across the massive Eurasian Steppe to explore Japan through Endo Shusaku's novel Silence. Endo was Japan's best known Japanese Catholic novelist and this particular historical novel is set in early 17th century Japan. A Japanese speaker, Dr. Laker will also teach Japanes e

### Class 4 - Zdravo! July 2 at 6:30 pm

word and

phrases.

Dr. John Cox, former history professor at Wheeling Jesuit and current Professor of

East European History, North Dakota State University, will shepherd students 5,700 miles back west (and 330 years back to the future) to Serbia through the novels of Biljana Jovanovic. A translator of books from Serbian,

Bosnian, Croatian, Hungarian, and Slovene to English, Dr. Cox will teach useful words and phrases in Serbian.

# Class 5 - Kedu! July 9 at 6:30 pm

Father Alfred Obiudu will lead his class 3,000 miles southwest (and a century back in time) to the

African nation of Nigeria through the works of Chinua Achebe, best known for the 1958 novel, Things Fall Apart. The chronicle of pre-colonial life in Nigeria through the arrival of Europeans during the late 19th century is perhaps the most celebrated novel of Africa. Hailing from Nigeria himself, and once assigned to St. Michael's Parish here in Wheeling, Father Obiudu is now a priest at St. Leo's Parish in Inwood, WV. He will also help attendees to explore the Nigerian language Igbo.

# Class 6 - G'Day! July 16 at 6:30 pm

Brad Fitzmaurice will lead students 9,500 miles "Down Under" (no time travel this time) for an excursion through the Australian Outback

in a class called "Jumbucks, Billabongs and Budgie Smugglers:
Ballads and Bards of the Australi-

an Bush," focusing on the works of writers like Henry Lawson and A B (Banjo) Patterson. Fitzmaurice's Masters dissertation examined the work of a group of Australian writers in the 1890s and early 1900s. He currently teaches American history at the University of Sydney and is writing a PhD on the history of Wheeling.

### Class 7 - Ciao! July 23 at 6:30 pm

On July 23, Lou Volpe, beloved English teacher at Wheeling Central Catholic High School for

many years, will lead his class 10,000 miles northwest (and 260 years back in time) for a tour of

Italy through Alessandro Manzoni's I Promessi (The Betrothed), which takes place in 1628 Milan during a plague. Mr. Volpe will also teach a few Italian words and phrases.

# Class 8 - Hola! July 30 at 6:30 pm

The eighth and final class will take students 5,600 miles southwest across the Atlantic and 270

years forward in time to explore early twentieth century Columbia through the lush novel Love in the Time of Cholera by Gabriel Garcia Marquez. Instructor Dr. Kim Grewe calls the book "a parable, perhaps, for our times, with themes of looking at the later years in life as a place of richness and celebrating the sacredness of ritual." A lifelong educator, Dr. Grewe is Professor and Instruc-

tional Designer at Northern Virginia Community College. Epitomizing the theme, she lives 2,500 miles from her job in northern California.

In keeping with the mission of public libraries as sanctuaries of learning for all people, the Ohio County Public Library created The People's University, a free program for adults who wish to pursue their goal of lifelong learning in classic subjects such as history, music appreciation, philosophy, and literature. Patrons may attend as many classes as they wish. There are no tests of other requirements and all programs are free and open to the public.

# SUMMER READING FINALE World Geography

Bee

The 2,500 mile, 120-year return to Wheeling in 2020 means the full series will consist of traveling some 46,000 geographic miles and 1,450 years backwards and forward through time, an amazing journey to verify reading's ability to "take us places."

### August 6 at 6:30 pm

The Library's Summer Reading Finale for adults will take place online, Thursday, Aug. 6 at 6:30 pm, when Dr. David Javersak hosts a World Geography Bee. The Geography Bee will feature questions inspired, in part, by the Around the in Literature and Language World People's University series.

Prizes will be awarded in the form of gift certificates to local businesses.

TAKES YOU PLACES

# OCPL CURBSIDE LIBRARY SERVICES

Though the Library remains closed, circulation and reference desk services are available via phone along with curbside services. Curbside services include the pick-up of reserved library materials, requested tax forms, and requested research and reference printouts. Notary and photocopy services are also provided curbside.

Patrons can call the library at 304-232-0244 to schedule an appointment to pick up reserved books, DVDs, magazines, and other materials. Items may be placed on reserve in advance either by phone or through our online catalog. Curbside service will be delivered in the Library's main parking lot. The 16th Street entrance will remain closed. Once the Library staff has completed a reserve order, a staff member will call the patron to schedule an appointment for pick up.

All returns of library materials are to be made through the Library's book drop. Because of the need to quarantine returned items, library materials will not be checked in for several days after being returned. Though patrons may continue to receive overdue notices, they can rest assured fines will not be charged for any returned items. The Library's book drop is located on the south wall of the Library directly in front of the garage door along the driveway leading to the main parking lot.

Staff will be answering the phones and providing curbside service during the following hours:

Monday, Wednesday, and Friday: 10 am to 3 pm Tuesday and Thursday: 10 am to 7 pm
