RULES AND REGULATIONS:

- ➤ The researcher will respect the fragile nature of material and will refrain from marking it in any way and will maintain the order of the material.
- No material may be removed from the Wheeling Room.
- ➤ The Wheeling Room will be kept locked at all times and patrons must request access at the reference desk. The researcher agrees not to provide access to the Wheeling Room to other patrons. All access to the Wheeling Room must be provided by Library staff member.
- Notebooks, laptops, tablets, and other recording materials are permitted, but all backpacks, bags, purses, and other carrying cases must be secured in a locker.
- No ink may be used on or near this material. Pencils can be supplied if needed.
- No manuscript or photographic material will be published or reproduced in any form without the written permission from a duly authorized representative of the Ohio County Public Library. The researcher must fill out a Publication of Materials form to use any images in any publication, print or online. Images may not be sold or redistributed, copied or distributed as a photograph, electronic file, or any other media and should not be significantly altered through conventional or electronic means. The user is responsible for all issues of copyright.
- > Smoking, eating, and drinking are prohibited in the Wheeling Room.
