

What parents and care givers can expect from Story Time

Story Time programs introduce young children to books, rhymes, songs, crafts, and other fun activities. Library Story Times incorporate the early literacy skills that children must master before they can learn to read.

Story Times are designed for children 3-5 years old, though all ages are welcome. The program lasts approximately 45 minutes and caregivers are asked to participate with their children.

Story Times and Toddler Times will take a two week break from December 23, 2019-January 3, 2020.

Programs will resume the week of January 6, 2020.
